Available Only During Spa Week*

Champagne and Roses Pedicure with Paraffin for the Hands

A decadent treatment starting off with a nutrient rich sea salt polish, followed by cuticle clean up, nail shaping, moisture-rich massage and polish!

During your pedicure you will enjoy a wonderful moisturizing paraffin hand treatment.

Anti-oxidant Facial

(45 minutes)

Designed to address premature aging in all skin types; an antioxidant infusing facial reaching deep into the skin including: Vitamin E, Vitamin C and Ferulic Acid that neutralize free-radicals which may cause photo-aging. This glorious treatment leaves your skin feeling radiant and refreshed.

Fatigue Buster Massage

(45 minutes)

Relax and unwind as you enjoy long gliding strokes designed to ease tension and decrease your stress.

Single Process Color and Style

Laser Hair Removal

1 Under-arm Hair Removal laser treatment; includes skin analysis performed by a staff member from Dr. Greenberg's office.
